

Grade Level	Course Name	Syllabus Name	Standard Description	Standard Name	Standard Code	Description
Grade 11	Computer	Animation (alice software)	inroduction to Alice	New world	1.1	Create Alice World
Grade 11	Computer	Animation (alice software)	inroduction to Alice	Character	1.2	Add objects to world
Grade 11	Computer	Animation (alice software)	inroduction to Alice	Object	1.3.1	position and scale objects
Grade 11	Computer	Animation (alice software)	inroduction to Alice	Object	1.3.2	program objects
Grade 11	Computer	Animation (alice software)	inroduction to Alice	Camera	1.4.1	Position camera view
Grade 11	Computer	Animation (alice software)	inroduction to Alice	camera	1.4.2	identify the camera properties
Grade 11	Computer	Animation (alice software)	inroduction to Alice	Camera	1.4.3	How to set dummy camera
Grade 11	Computer	Animation (alice software)	inroduction to Alice	method	1.5.1	identify object method
Grade11	Computer	Animation (alice software)	inroduction to Alice	method	1.5.2	identify object parts' methods
Grade 11	Computer	Animation (alice software)	inroduction to Alice	method	1.5.3	create new method

Grade 11	Computer	Animation (alice software)	introduction to Alice	properties	1.6	change object properties
Grade 11	Computer	Animation (alice software)	introduction to Alice	loop	1.7	use different types of loops
Grade 11	Computer	Animation (alice software)	introduction to Alice	order	1.8	differentiate between do in order and do together
Grade 11	Computer	Animation (alice software)	introduction to Alice	function	1.9	identify different functions
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Interface Introduction to Adobe Illustrator	2.1	identify Panels & Workspaces in Adobe Illustrator
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Vector basics / Selection & Direct selection tool	2.2	Use selection and direct selection tool
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Fill & Stroke effects in Adobe Illustrator	2.3	Use fill and stroke while drawing
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Basic Drawing Tools	2.4.1	Use line , ellipse and rectangle shape
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Basic Drawing Tools	2.4.2	Draw with the pen tool and the brush tool
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Swatch, Brush, and Graphic Style Libraries	2.5	Use the swatch and the brush to fill a shape
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Blob brush and erase tool	2.6	Differentiate between brush and erase tool
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Working with Symbols	2.7	Add symbol
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Adding an Effect	2.8	Identify different kinds of effects
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Working with Layers	2.9	blending two layers

Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Aligning Objects	2.1	Align objects vertically and horizontally
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Custom Brushes	2.11	Create a custom brush
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Typing on a Path	2.12	Typing text on different path
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Resize	2.13	Identify the importance of resizing
Grade 11	Computer	Adobe Illustrator	Adobe Illustrator	Printing	2.14	exporting images to different types of file
Grade 11	Computer	photoshop	inroduction to photoshop	Understand the connection between camera and art	2.1	identify pixels and resolution
Grade 11	Computer	photoshop	inroduction to photoshop	Understand the connection between camera and art	2.2	identify different types of files
Grade 11	Computer	photoshop	inroduction to photoshop	Study the elements of design in a photograph	2.3	identify hue and saturation
Grade 11	Computer	photoshop	filters	Apply filter effects to transform a picture	2.4	Apply filter effects to transform a picture
Grade 11	Computer	photoshop	retouch a picture	Retouch a picture to remove imperfections	2.5	Retouch a picture to remove imperfections
Grade 11	Computer	photoshop	colors	Adjust the color of a picture	2.6	Use color adjustment
Grade 11	Computer	photoshop	text design	Create with text	2.7	Labeling pictures
Grade 11	Computer	photoshop	Layers	Working with layers	2.8	merging two pictures
Grade 11	Computer	photoshop	Brushes	Woking with brushes	2.9	using bushes to design a picture
Grade 11	Computer	photoshop	Brushes	Woking with brushes	3	Adding frames
Grade 11	Computer	photoshop	Shapes	Woking with shapes	3.1	Drawing shapes
grade11	Computer	photoshop	inroduction to photoshop	Woking with shapes	3.2	insert a picture in a shape
