

Grade Level	Course Name	Syllabus Name	Standard Description	Standard Name	Standard Code	Description
grade 12	Computer	Animation ( alice software)	inroduction to Alice	New world	1.1	Create Alice World
grade 12	Computer	Animation ( alice software)	inroduction to Alice	Character	1.2	Add objects to world
grade 12	Computer	Animation ( alice software)	inroduction to Alice	Object	1.3.1	position and scale objects
grade 12	Computer	Animation ( alice software)	inroduction to Alice	Object	1.3.2	program objects
grade 12	Computer	Animation ( alice software)	inroduction to Alice	Camera	1.4.1	Position camera view
grade 12	Computer	Animation ( alice software)	inroduction to Alice	camera	1.4.2	identify the camera properties
grade 12	Computer	Animation ( alice software)	inroduction to Alice	Camera	1.4.3	How to set dummy camera
grade 12	Computer	Animation ( alice software)	inroduction to Alice	method	1.5.1	identify object method
grade 12	Computer	Animation ( alice software)	inroduction to Alice	method	1.5.2	identify object parts' methods
grade 12	Computer	Animation ( alice software)	inroduction to Alice	method	1.5.3	create new method
grade 12	Computer	Animation ( alice software)	inroduction to Alice	properties	1.6	change object properties
grade 12	Computer	Animation ( alice software)	inroduction to Alice	loop	1.7	use different types of loops
grade 12	Computer	Animation ( alice software)	inroduction to Alice	order	1.8	differentiate between do in order and do together
grade 12	Computer	Animation ( alice software)	inroduction to Alice	function	1.9	identify different functions
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Interface Introduction to Adobe Illustrator	2.1	identify Panels & Workspaces in Adobe Illustrator

grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Vector basics / Selection & Direct selection tool	2.2	Use selection and direct selection tool
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Fill & Stroke effects in Adobe Illustrator	2.3	Use fill and stroke while drawing
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Basic Drawing Tools	2.4.1	Use line , ellipse and rectangle shape
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Basic Drawing Tools	2.4.2	Draw with the pen tool and the brush tool
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Swatch, Brush, and Graphic Style Libraries	2.5	Use the swatch and the brush to fill a shape
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Blob brush and erase tool	2.6	Differentiate between brush and erase tool
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Working with Symbols	2.7	Add symbol
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Adding an Effect	2.8	Identify different kinds of effects
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Working with Layers	2.9	blending two layers
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Aligning Objects	2.1	Align objects vertically and horizontally
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Custom Brushes	2.11	Create a custom brush
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Typing on a Path	2.12	Typing text on different path
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Resize	2.13	Identify the importance of resizing
grade 12	Computer	Adobe Illustrator	Adobe Illustrator	Printing	2.14	exporting images to different types of file
grade 12	computer	Web design	Adobe Dreamweaver	Introduction to Dreamweaver	3.1	identify the anatomy of a website
grade 12	computer	Web design	Adobe Dreamweaver	Introduction to Dreamweaver	3.2	create folders and subfolders

grade 12	computer	Web design	Adobe Dreamweaver	Introduction to Dreamweaver	3.3	setting up site
grade 12	computer	Web design	Adobe Dreamweaver	Introduction to Dreamweaver	3.4	create a page
grade 12	computer	Web design	Adobe Dreamweaver	Adding Texts, Hyperlinks, and Metatags to page	3.5	add text , format text
grade 12	computer	Web design	Adobe Dreamweaver	Adding Images and Graphics	3.6	adding image, rollover images
grade 12	computer	Web design	Adobe Dreamweaver	Working in HTML	3.7	identify different type of file
grade 12	computer	Web design	Adobe Dreamweaver	Adding Online Forms to Web Pages	3.8	create forms, add buttons( submit, reset , delete)
grade 12	computer	Web design	Adobe Dreamweaver	CSS	3.9	create a CSS file
grade 12	computer	Web design	Adobe Dreamweaver	Using Dreamweaver Templates	4	apply templates
grade 12	computer	Web design	Adobe Dreamweaver	HTML Tables	4.1	create table
grade 12	computer	Web design	Adobe Dreamweaver	Multimedia	4.2	insert video and audio
grade 12	computer	Web design	Adobe Dreamweaver	Managing and Publishing Your Sites	4.3	upload a site, publish a site
