

Grade Level	Course Name	Sylabus Name	Standard Description	Standard Name	Standard Code	Description
Grade8	Computer	powerpoint	introduction to powerpoint	Basic introduction	1.1	1. create a new file
Grade8	Computer	powerpoint	introduction to powerpoint	Basic introduction	1.2	insert new slide
Grade8	Computer	powerpoint	introduction to powerpoint	Basic introduction	1.3	cut, copy and paste slide
Grade8	Computer	powerpoint	introduction to powerpoint	Basic introduction	1.4	duplicate a slide
Grade8	Computer	powerpoint	introduction to powerpoint	Basic introduction	1.5	delete a slide
Grade8	Computer	powerpoint	introduction to powerpoint	picture	2	insert pictures and cliparts
Grade8	Computer	powerpoint	introduction to powerpoint	picture	2.1	Use picture tools
Grade8	Computer	powerpoint	introduction to powerpoint	picture	2.2	Use smart art
Grade8	Computer	powerpoint	photo album	photo album	3	use the templates
Grade8	Computer	powerpoint	photo album	photo album	3.1	create a photo album
Grade8	Computer	powerpoint	transition	transition	4	apply a transition slide by slide
grade 8	Computer	powerpoint	transition	transition	4.1	apply a transition to all slides
Grade8	Computer	powerpoint	animation	custom animation	5.1	apply entrance animation
Grade8	Computer	powerpoint	animation	custom animation	5.2	applyentrance animation all slides
Grade8	Computer	powerpoint	design	apply design	6.1	apply template design
Grade8	Computer	powerpoint	design	apply design	6.2	apply template design different format
Grade 8	Computer	powerpoint	animation	custom animation	5	Use exit animation
Grade8	Computer	powerpoint	hyperlink	hyperlink	6	create hyperlink on picture
Grade8	Computer	powerpoint	hyperlink	hyperlink	7	Create hyperlinl on text
grade 8	computer	powerpoint	show	show	8	Custom show
