Grade Level	Course Name	Sylabus Name	Standard Description	Standard Name	Standard Code	Description
grade 9	Computer	powerpoint	inroduction to powerpoint	Basic introduction	1.1	1. create a new file
grade 9	Computer	powerpoint	inroduction to powerpoint	Basic introduction	1.2	insert new slide
grade 9	Computer	powerpoint	inroduction to powerpoint	Basic introduction	1.3	cut, copy and paste slide
grade 9	Computer	powerpoint	inroduction to powerpoint	Basic introduction	1.4	duplicate a slide
grade 9	Computer	powerpoint	inroduction to powerpoint	Basic introduction	1.5	delete a slide
grade 9	Computer	powerpoint	inroduction to powerpoint	picture	2	insert pictures and cliparts
grade 9	Computer	powerpoint	inroduction to powerpoint	picture	2.1	Use picture tools
grade 9	Computer	powerpoint	inroduction to powerpoint	picture	2.2	Use smart art
grade 9	Computer	powerpoint	photo album	photo album	3	use the templates
grade 9	Computer	powerpoint	photo album	photo album	3.1	create a photo album
grade 9	Computer	powerpoint	transition	transition	4	apply a transition slide by slide
grade 9	Computer	powerpoint	transition	transition	4.1	apply a transition to all slides
grade 9	Computer	powerpoint	animation	custom animation	5.1	apply entrance animation
grade 9	Computer	powerpoint	animation	custom animation	5.2	applyentrance animation all slides
grade 9	Computer	powerpoint	design	apply design	6.1	apply template design
grade 9	Computer	powerpoint	design	apply design	6.2	apply template design different format
grade 9	Computer	powerpoint	animation	custom animation	5	Use exit animation
grade 9	Computer	powerpoint	hyperlink	hyperlink	6	create hyperlink on picture
grade 9	Computer	powerpoint	hyperlink	hyperlink	7	Create hyperlinl on text
grade 9	computer	powerpoint	show	show	8	Custom show

grade 9	Computer	video editing	Ulead Video	use movie wizard	9	create a movie using movie wizard
grade 9	Computer	video editing	Ulead Video	use movie wizard	9.1	add pictures and videos
grade 9	Computer	video editing	Ulead Video	use movie wizard	9.2	add text
grade 9	Computer	video editing	Ulead Video	Ulead editor	9.3	identify the workplace in u lead
grade 9	Computer	video editing	Ulead Video	Ulead editor	9.4	add video, and pictures
grade 9	Computer	video editing	Ulead Video	Ulead editor	9.5	trim a video
grade 9	Computer	video editing	Ulead Video	Ulead editor	9.6	dupliacte a picture
grade 9	Computer	video editing	Ulead Video	Ulead editor	9.7	order pictures and vides
grade 9	Computer	video editing	Ulead Video	Ulead editor	9.8	apply effects
grade 9	Computer	video editing	Ulead Video	Ulead editor	9.9	apply filters
grade 9	Computer	video editing	Ulead Video	Ulead editor	10	apply transition
grade 9	Computer	video editing	Ulead Video	Ulead editor	10.1	adding audio
grade 9	Computer	video editing	Ulead Video	Ulead editor	10.2	adding voice over
grade 9	Computer	video editing	Ulead Video	Ulead editor	10.3	transforming file into mp4 file
grade 9	Computer	video editing	Ulead Video	Ulead editor	10.4	tranforming file in avi file
